Subject: Re: Remaind <Regarding Press>Reschedule timing: Bilateral Meeting on June 11th(G7EMM)

Dear Makiko,

The Japanese press is welcome to take pictures before the meeting gets started and then leave so the ministers can conduct their business.

I look forward to joining you in Bologna tomorrow.

Best regards, Mark

Dear Mr.Mark Kasman,

Hello,

I'm Makiko Kubo from Ministry of the Environment,Japan. (I'm already in Bologna!)

As my colleague Rei Yamada said regarding press,have you kindly considered if it is OK for US to let media in for shooting the opening scene of the bilateral meeting between US and Japan held on 11th?

Below are possible media to come.

TV: NHK, etc.

News Paper: Nikkei, Sankei, Jiji, Kyodo, Asahi, etc.

It would be appreciated if you could give us an answer very soon.

Thank you in advance.

Best regards,

Makiko Kubo
